

Puppy Kindergarten Course

For puppies less than six months old

Objective: To provide puppies and their people with opportunities to socialize and learn the basic skills that make a life-long relationship with a dog a wonderful experience.

Training consists of:

- Practicing attention
- Teaching the basic commands sit, down, stand, stay, and wait.
- Practicing Loose Leash Walking and commands Leave It and Halt.
- Teaching Recall.
- Discussion of dog bite prevention, safe approach to a friendly dog and dog grooming (Note: All work done on leash.)
