

# Rally Obedience Course

**For dogs that have completed at least Advanced Beginner level classes with experience in basic heeling; fronts; left and right finishes; and sit, down and stand stays.**

**Objective:** To learn and practice the sport of Rally Obedience and as a fun practice regimen for the more formal canine obedience sports.

**Training consists of:**

- Learning various signs and the exercises they entail.
- These exercises range from on-lead heeling, sits, downs and stands at the beginner level, to off-lead work and jumping at the advanced level.
- Dogs and handlers practice run-throughs on rally obedience courses.
- Handlers learn to be upbeat and to have fun while training their dogs.
